INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, this issue is all about more-more-more. For instance, did you notice how many girls in this issue have puffy nipples? Crissy, Chloe, Melody, Casana, Kennedy, and Abby—they *all* have big, nummy nozzles on their delicious boobies. Our BARELY LEGAL Classic, Renee, has the puffiest nips ever seen in these pages! They could fill an A cup on their own!

Then there's all the anal going on. Casey and Alice—they *just* started having sex, and they're already doing it up the butt. Our crazy *Slumber Party* girl, Kitty, had backdoor sex before front-door! And anal-maniac Melody—well, just read her interview. She makes my toot-hole tingle!

In fact, I'm kind of tingly all over. My nipples are hard. My heart is pounding. My pussy is so wet it's sloshing in my panties. This more-is-more issue might be a little too much for me. I don't think I can handle it.

Just kidding—I totally can! Can *you*? ;)

Hey, everyone! It's Stacy the intern. Do you guys remember high school senior Tiffani from our January 2012 issue? This is her! She's making movies now, and she has a new name to go along with her new look.

Welcome back, Tiffani...I mean Chloe. You look so sexy!
Thank you! I'm making movies now.
I know! I watched your scene with Hayden Hawkens in *My First Day Stripping.*
Did you like it?
Well, I watched it five times, so you be the judge!
Yay! I really want people to enjoy themselves when they watch me.
I thought you were going to go to art school after graduation.
I was, but I got busier and busier modeling, and then modeling turned into movies, and here I am!
Do you still like modeling?
I love posing nude! Everyone just enjoys a nice body.
Now that you're doing porn, are you having less sex in your personal life?
No, 'cause I don't do boy-girl scenes—only girl-girl. So I still need boys in my life. ;)
Do you like girls in real life?
Yes! Every time I'm with a girl, it's always amazing.
What kind of girls do you like?
Very pretty girls, with good personalities.
What kind of guys do you like?
I like good-looking men with a good style.
What turns you on?
Licking, kissing, and being rough. :)
Do you like to give BJs?
I love giving oral sex.

WorldMags.net

Are you a spitter or a swallower?
I'm both. If I am dating you for a while, I'll swallow.
Do you like to get your pussy licked?
It feels amazing.
What's your favorite position?
From behind.
What's the best way for someone to make you come?
Talking to me while having sex.
Where do you like a guy to come?
I love when guys come all over me. It turns me on.
What's the best way for a guy to get with you?
Being respectful and nice.

What's your favorite fantasy?
Having sex in Italy, at a lovely location by the beach.
How would you describe your dream date?
On a horse at a lovely beach.
What do you see yourself doing in the future?
I probably will stop making movies eventually and go to art school—but for now I'm having way too much fun to stop! ★

DEAR BARELY LEGAL

FEBRUARY 2013 PANTY & SOCK CONTEST WINNERS!

B.G.S., R.S., and B.D.'s letters tickled us in all the right places. Congratulations, guys!

Dear BARELY LEGAL,
I had just received the January issue of BARELY LEGAL. As I turned the pages and admired all of the scrumptious beauties, I slowly stroked my cock. I wanted to suppress my urge to ejaculate quickly and take time to check out all the barely legal babes in this issue, and give the hottest chick my very special admiration.

I finally got to the last page of the January issue and was now checking out the beauties that would be in the February issue. One look at Jodi's inviting smile and I knew I needed to give her the reward and privilege of receiving my first load of cum. It was so thrilling to see Jodi's complete photo spread in the February issue. Every picture is deserving of special tribute, and I will do so as often as I can.

If I were fortunate enough to win Jodi's panties, the first thing I would do is smother my nose in them so I could deeply inhale the fragrance of her womanhood. Preserving this delectable scent indefinitely is tempting. However, my greater urge is to wrap her panties around my cock and balls. I want my cock to enjoy the texture and sensation of Jodi's panties for a day or so. I want to fantasize about the fact that my privates are now touching the same cloth that a short while before covered Jodi's most precious charms—her *mons veneris* that is beautifully covered with brown pubic hair. And of course before I whack off and watch my cum shoot out and land on Jodi's panties, I will take one last sniff and see if I can detect her scent now intermingled with mine.

I'll never throw Jodi's panties into the washing machine. When every square inch of Jodi's panties is coated with dry semen, I'll do a gentle hand laundering of this very special cum catcher. Only thing that would be more delightful than to win Jodi's panties would be to watch a Disney movie with Jodi…

Dear BARELY LEGAL,
Even though I usually write to you expressing my love of furry pussy, I couldn't help but write in when looking at Cassandra's photos. The clinching picture was the one of her squatting and bunching up the crotch of the panties in question, because the one thing I love even more than a hairy snatch is a large, oversize, firm clit. She also has a beautiful, awesome smile and a sexy, naughty look in her eyes. What a sexy, sexy girl—34Bs, large clit, sexy eyes, and loves being spanked, tickled, and fucked and fucked again.

If I am lucky enough to win those cute panties, I will lick, sniff, and jerk off into the crotch of them every single day forever.

Cassandra, I hope you might someday like a trip up to Canada. I guarantee you'll be spoiled, pampered, and fucked until you cannot walk anymore.

R.S.
Ontario, Canada

Dear BARELY LEGAL,
I'd love to win Cassandra's socks. What I'd do with them: I'd be fantasizing (pretending) that she was my mother or mom and that I was her son and I was a very bad, bad boy. And she'd punish me by making me smell or sniff, for two whole hours, her dirtiest and smelliest socks that she wore for a whole week. I would be masturbating while smelling Cassandra's socks.

I do hope very much that she can wear those socks for a whole week so they smell like vinegar. I'm a big-time foot man. I'd do anything to sniff Cassandra's socks. Remember, the smellier and dirtier the better.

Dear Lindsey,
I just got the November 2012 issue, and I must say another excellent choice of little hotties!!! Starting with you. I want to tell you, nudity suits you.

I'd like to be able to tell you what I like about each and every one of these sexy young ladies, but I just ain't got enough paper. So I'll just mention a couple.

I loved seeing Jess back again. She's so hot!!! And that red hair upstairs and down—I love it. She's drop-dead gorgeous. You gotta keep having her come back, no shit!!!

But the main reason I'm writing besides complimenting you on your nakedness is that Cassie Laine. Are you trying to give me a heart attack? LOL. This young lady is so freaking hot, I can't begin to describe her, but I'll try. That beautiful face and cute smile. Them perky little titties. That tight little booty you can bounce a quarter off of. That tasty little va-jay-jay. This girl is freakin' awesome. She's gonna go far.

P.H.
New York

P.H., you better sit down for this—Cassie is back next month, in our July issue, and she's even hotter. I might be trying to give myself a heart attack. :) ***—Lindsey***

Dear Lindsey,
Thank you very much for finding the very hairy Angie (January 2013). I am a big advocate of very furry pussies, and Angie's is beautiful. I have been a subscriber for many years and very happy and will continue to be. Is there any chance of a future layout of Angie or other comparable models with equally hairy pussies in the near future? Also, I love all of your A- and AA-cuppers. Keep up the great work.

C.T.
Kansas

Thanks, C.T.! Unfortunately, Angie will not be back. :(BUT—we have almost-as-hairy Alice in this issue, and August 2013 marks the return of super-furry Sam (December 2011 and Anniversary 2012). And if you want to see a whole bunch of bushy girls all at once, check out the special box below! ***—Lindsey***

Hey, furry-coochie fans! Can't get enough muff? Then be sure to snap up the 12th tantalizing volume of *Best of BARELY LEGAL Presents: All Bush*, on sale April 16!

CASEY

body english

Hey, it's Lindsey. Meet Casey, an exotic bird from jolly old England!

Hey, Casey! I *love* your style.
Cheers! I'm a huge fan of '60s style and culture.
What do you do?
I'm currently at university studying 19th-century French poetry.
How did you happen to model?
I was approached at a club by a photographer. He said he liked my style and my body.
How *did* you get that bangin' body?
Tons of chips and no exercise.
You're kidding!
Just a bit. ;) I go dancing at the weekends and work up a major sweat.
What's your favorite music to dance to?
Soul music from the '60s. I love the girl singers especially—Dee Dee Sharp, Gloria Jones. You would like them, Lindsey—they're sexy.
Do you get sexy on the dance floor?
You can't help but dance sexy with soul music. It's all in the bum and fanny.
Aren't those the same thing?
LOL! No, your bum is your bottom and your fanny is your twat.
You're so naughty! I always thought English people were polite and reserved.
I'll let you in on a little secret: we *are*—but underneath we're quite kinky.
What do you do that's kinky?
Well, I like things a bit rough. Normally I'm covered in love bites, but I've been busy cramming for exams.
What about spanking?
I love a good slap to my bum. It's my most sensitive area.
Do you ever have bum sex?

Magdownload.org

All the time. It feels fantastic. I like to be licked down there as well.

You *are* kinky. Do you lick back?

Always! I might surprise them while I'm down there sucking their cock.

What's the wildest thing you've done?

That would be the time I was dancing with two boys at a club and couldn't decide which one I fancied more, so I took them *both* home. I loved sucking one cock while having another in my fanny. *Very* greedy of me. Very un-English.

But very BARELY LEGAL! ★

MELODY JORDAN

derriere queen

Hey, it's Stacy the intern. You guys haven't seen a bad girl in action until you've seen super-freaky porn starlet Melody!

Melody, you are rocking that super-cute bra-and-panty set with the sexy heels to match!
Thanks! I love having an excuse to wear heels. I'm usually in ballet slippers.
Yeah, I like being comfy, too.
Mine aren't the comfy kind. I do pointe [advanced level in ballet], so I wear toe shoes. I'm on my tippy toes practicing two hours a day.

AGE: 21

MEASUREMENTS: 34C-26-36
HOMETOWN: ST. PAUL, MINN.

Are you a serious dancer or something?
Yes, I've been studying ballet for 17 years.
Wow! What made you want to do porn?
I'm a total freak! I love having sex on camera.
What kinds of freaky things do you like to do on camera?
I LOVE to eat ass and get mine eaten. I actually did a scene with Kennedy Nash, and I got to eat her ass. We had an amazing time together.
Hey, Kennedy Nash is in this issue, too!
Cool! We make a hot team.
Do you enjoy being fucked in the ass?
OMG, I totally get off on that! I can come for hours when a guy fucks me in the ass. I come even harder if he fucks me in the ass with his dick and tongue then kisses me afterwards. Yum! :)
What other freaky things do you like?
I did a bondage shoot not long ago, and I was completely tied up in rope then hung upside down. Having those ropes tied tight on my skin made me *so* wet. I think I was actually dripping cum.
That sounds straight out of *Taboo* magazine! Do you have a favorite freaky fantasy?
Yes! I'm practicing a duet with a hot male partner, and as I leap into his arms for a big lift over his head, he puts his face right in my pussy, then brings me to the floor while tearing off my leotard and tights. He bends me over the ballet barre and rams his dick up my asshole, pumping his dick over and over again while grabbing my tits. Then he pulls his dick out and shoves his tongue up my ass- and pussy holes till I come all over his face.
Wow! Let me know when *that* ballet comes to town! ★

RENEE

more than ordinary

I wish I was more interesting," sighs Renee. "I feel so, I don't know, typical, with my gossip magazines and lip gloss, and always talking to girlfriends on my cell phone. I like the Goth chicks at school who pierce their noses and wear weird hats and black lipstick. They're so beautiful and angry. I wish I had the guts to do that. But I worry, if I tried, I'd be lame. Everyone would laugh at me.

"I know I can make my own choices now that I'm 18, but I'm still me, and I think, maybe, I'm boring. Like, people tell me I'm cute. Cute isn't anything. I want to be gorgeous, a drop-dead beauty. Seriously, am I that plain? I want a man to want me in a powerful way, like where his eyeballs go back in his head, not like he just smiles and says, 'Renee is such a sweetie!' Not that. Instead, he pants and maybe even slobbers, and he grabs me by the knees and begs me to make him a man like he never knew he could be.

"I guess I should let go of my insecurities. Like, I have this fuzzy pussy and puffy nipples. Do men want that? I don't look like all the shiny girls in magazines.

"I don't know. I don't know anything. I haven't even lost my virginity. I just have, like, dreams. Fantasies. Like, everything that being a woman could be, and I know deep in my heart that it could be me. A female, right? A powerful beauty?

"Maybe I should tell you exactly what I see. Like, when I close my eyes and breathe, what do I see?

"First, I'm wearing different clothes, and my face looks different too. Like, I wear a lot of black eyeliner, because I am sexy, and I'm wearing black vinyl pants and a wife-beater tank top without a bra. Don't laugh! I know it looks nothing like me, but this is what I see. Maybe I have a few streaks of purple in my hair, and my fingernails are painted black glitter, and I'm just hungry. Like I could be in a rock video and roll around on the floor and everyone would want me.

PHOTOGRAPHY BY EIP INC.

AdultMags.net

"Is that slutty? It doesn't matter if it is. I'm sparkly clean, like bust out the handy Clorox wipes. I've hardly even kissed anybody.

"Okay, so, next a vision of a man will come to me. He's very strong and hard and lean, and he grabs my thighs. I can feel every muscle in his hands gripping me. He's a big man, very potent. He's powerful, but I am not afraid. I'm every bit as powerful as him. I have my eyeliner and my shiny pants, and all he wants is me.

"Basically, this strong, hard man has his way with me. He sucks my funny puffy nipples until they're hard and pointy. He licks my thighs and belly, and then he sticks his tongue right smack into my coochie. He has this totally giant cock, and it's jutting straight out of his jeans. The big, hard thing is a little intimidating, but inviting too, like I want to put my hands all over it, and stick out my tongue and see how it tastes.

"It tastes like life. Like ocean and soil. It's salty and dirty and strong. I could suck on that big thing all day.

"But even stronger than his boner? That giant, super-hard thing? Stronger than that, is me. I'm, like, sexually potent and glorious, bringing a rock-hard bad man to his quivering knees. Just so he can suck on me. Beg me. Hope in his big man heart that he can experience every tiny piece of me.

"He has it though. He takes me. He rubs and moans until he's inside me, all the way up where there's no more room, so he's touching me deep, deep, deeper than anyone ever could be, and when he starts to shake and wail, there's a splash, and then he's really in me, dripping.

"I like it a lot. I mean, it's so weird to share my secrets like this with somebody, because it's embarrassing, but it's the truth. These are things that go bouncing around in my brain. But I haven't done anything. It's all here between my ears, under my hard skull and between my legs, just waiting. Will it happen, ever? Just for me?" ★

HANKY SPANKY

a BARELY LEGAL diary
by ashley graham

Hey, everybody! *What a thrill to be here. I've been reading BARELY LEGAL since I turned legal. How cool is it to be in the magazine I regularly masturbate to?*

Lots has been going on in my life lately. I moved from California to Atlanta last year. Long story—there was a guy, didn't work out. But I've really come to love the Dirty South. I mean, I'm dirty, so it makes perfect sense, right?

Things have been pretty great. I'm getting lots of modeling jobs and going to school part-time. I'm studying psychology because I think the human mind is fascinating. Someday I'd like to be a therapist. I think I'd be good at it. After all, I already know what the best therapy is: fucking! LOL!

Lindsey asked me to keep a diary for a while so you guys could get to know me. Actually, she didn't ask—she told me. But that's cool. I like to be bossed around sometimes. Maybe even tied up and spanked. ;)

So here it is—a few days in the life of me!

PHOTOGRAPHY BY STEVEN ANDRES

February 4

Monday, Monday. Actually, this is a rockin' Monday 'cause I have nothing I absolutely have to do. Abnormal Psych class tomorrow, but I got all my reading done yesterday. Think I'll take my fur babies Brutus and Luke for a walk, get on the Xbox for a while (obsessed with *LEGO The Lord of the Rings*). Might hit up my new bestie Laura (we met last semester in Psych 101) and go for sushi later. It's gonna be a yay day!

* * *

Well, *that* was fun. Laura and I ate sushi and then we ate each other—*wheee*! Did I mention we're friends with benefits? Hard to resist a girl who looks like she could be Megan Fox's younger sister.

We went back to my apartment after din and watched some *Boardwalk Empire* (can't get enough—I own the first season on DVD). Laura had her head in my lap 'cause we're cuddly like that. Her head that close to my crotch got me thinking.

"You sure are comfy," I said. "Maybe you should make yourself useful."

"Whatever," she laughed. "You're being useless too."

"*Mmm-hmm*." I bucked my hips. Her head bounced in my lap.

"Quit it, slut!" she giggled.

I unzipped my jeans. "You need to get off your ass and lick me," I said.

Laura sighed. "Okay."

Like it's such a chore! Laura loves my pussy. She slid onto the floor and pulled off my pants and undies. She spread my legs and wiggled her thumb against my clit.

"You're wet already," she said, sliding her thumb between my lips. She flicked her tongue against my clit.

"Put your whole mouth on it," I moaned, squeezing my tits.

She wrapped her lips around my pussy, sucking. She plunged her tongue into my hole. I pushed hard against her mouth. I wanted to sit on her face.

"Lay down," I said.

Laura stretched out on her back. I straddled her mouth and rocked back and forth against her tongue. I wrapped my fingers in her hair and pulled her hard against my pussy. I was dripping wet. Her face was all shiny and glazed. She squeezed my ass, spread my cheeks, and tickled my butthole.

"Stick a finger in there," I panted, bouncing on her face. I was so wet, all she had to do was slide her finger through my pussy on her way to my ass. She teased my toot, making circles around it, nudging and tickling before finally sliding her finger in.

"Oh, fuck," I moaned. Her tongue was deep in my cooch, finger deep in my ass. It was all I could take.

"I'm coming," I wailed, hips thrusting. "You're making me come…*ahhh-ahhh-AHHHHHH*!"

My entire body spasmed. I gushed girl juice into her mouth. I flopped onto the floor beside her, gasping for breath.

"You're such a dyke," I sighed.

WEIGHT: 110 POUNDS

Laura punched my arm and laughed. "Butch."

Then we took a bubble bath. I washed her boobies. Funbags!

Now it's 2 a.m. and I have *got* to get to sleep—I have class in the morning! *Zzzzzz…*

February 5

*Ummm…*can I just say that my Abnormal Psychology professor is hot? I like that he's smart and, like, tall and bearded and scruffy. I might have to rub one out later. I'll picture him tying me up and blindfolding me and making me suck his cock. Is that…abnormal of me?

* * *

OMG, amazing masturbation sesh. I crouched on my hands and knees in front of my full-length mirror, totally naked. I rested my chin on the carpet, watching myself as I reached around and diddled my pussy. I thought about my professor spanking me. Even spanked myself some. Squeezed my titties, thumbed my butthole, fingered my cooch. Is it vain that it turns me on to watch myself fuck myself?

I slapped my pussy. I was *so* wet. Girl juice dribbled onto the carpet. Gonna have to call Stanley Steemer—LOL!

I changed positions, sitting in front of the mirror with my legs spread and my knees bent so I had a good view of my tits and pussy. I rubbed my cooch with my right hand and used my left hand to lift a tit so I could lick my nip—I love that my tits are big enough to do that! I was welling up, ready to come. I closed my eyes and thought about my prof, imagined him slapping his dick against my pussy, imagined him squeezing my ass, nibbling my butt cheeks. Yes, I like to be bitten. Gently, but yes.

I moaned, fingering myself harder. I could feel my insides ready to blow. My face was hot, my nipples hard. I was coming.

"*Aaaughhh*!" I screamed, falling onto my back, my body twitching.

Whew. Meanwhile, I should have been working on an essay about anxiety disorders. I'm not anxious, though. A good, hard orgasm takes all the worries away.

February 6

Working today! Photo shoot with a big, hot, shaved-headed dude named Rolf who carries a cat-o'-nine-tails. I like a whipping. Nothing too rough, though. I enjoy seeing marks, but no breaking the skin!

* * *

So much fun! We got some great shots of Rolf giving me a (gentle) beat-down. I wore these amazing pink rhinestone bordello heels and nothing else. He bent me over his knee and *smack-smack-smack!* It stung just enough to make my clit hard and my pussy drippy.

There's something about being disciplined that makes me want to suck a dick. I thought maybe Rolf and I should have a post-shoot meeting. I washed up, changed into my clothes (cute, tight white dress), and hit Rolf up.

"Awesome shoot," I said. "Wanna catch a drink?"

Rolf drove. We hit a dive bar in Little Five Points. I had a couple of vodka and Red Bulls, he drank Bud Light.

"Let's go back to your car," I said. "I need to get home. After I suck your dick."

What?! I know—I can be so forward sometimes. Rolf didn't argue. We piled into the backseat of his Highlander—so much room back there! He stretched out on his back, folded his hands behind his head. I unzipped his fly. There wasn't any cock in the shoot we did together. It was really fun to see his. It was bigger than I'd imagined. I wasn't intimidated, though. I can take it deep.

First, I buried my nose in his pubes. Sound gross? Not even. Man musk is the hottest thing. I took a whiff and wrapped my hand around his big, hard shaft. I could feel it pulsating. I licked his balls, squeezing his cock gently. I dragged my tongue up and down the underside of his dick.

"Stick it in your mouth," he groaned.

I opened wide, wrapped my lips around it, and slid down. I kept going, opened my throat. I can turn my gag reflex off like a switch. His bone slid past my tonsils. I sucked, flexing my throat muscles. Rolf moaned, dug his fingers into my shoulders. Like, dug *hard*. I enjoy that.

"Fuck," he panted. "Keep sucking."

I sucked harder, faster, bobbing my head up and down. Slobber dribbled down my chin. I slid my hands under his ass, squeezed his cheeks. *Love* man ass.

Rolf groaned. I cupped his balls. They were tight. He was about to blow. He thrust hard and deep down my throat.

"*Awww* fuck *yeahhh*!"

He came *hard*. I didn't even have time to swallow—his hot load shot straight down my gullet. I love that warm feeling in my belly. Cum—it's what's for dinner. LOL!

Rolf drove me to my car. Back home now. Shit. I was supposed to write that essay. Class tomorrow, and I'm totally unprepared. I wonder if my hot prof will be mad at me. He can punish me if he wants. ;)

February 7

Prof pulled me aside after class 'cause I didn't have my homework. Told me to visit him during his office hours tomorrow. I turned beet red—I know I did. Ashamed and turned-on all at the same time. I'll at least start the essay tonight so he can see that I'm trying. I'll show him how good I can be.

February 8

Headed to Prof's office at 2 this aft. OMG, so nervous and excited! Wish me luck.

* * *

Wow. That was something.

When I walked in, Prof was sitting behind his desk looking all stern.

"I'm sorry I'm behind, but I am totally working on my essay," I said, dropping my half-baked paper on his desk. "This class is important to me. I've just had a lot of, like, stuff going on."

He picked up my paper, frowning. His eyes darted over the page. He looked at me.

"This is nonsense," he said. "You haven't been studying."

"That's not true!" I gasped. I had been studying. Just not, like, enough. "I am totally dedicated to learning and stuff. I can show you how serious I am. How much this class means to me."

He leaned back in his chair. "Well?"

I sat down, leaned against his desk. I was totally flashing cleavage.

"I admire you," I said. "And I feel so lucky to have you teaching me. I'd like to show you my appreciation and my dedication."

Prof took a deep breath and stood up.

"I need you to bend over the desk," he said.

"Okay." I leaned down and pressed my face against the desk. He walked around and lifted my skirt. He yanked my undies down. They fell to my ankles. He smacked my ass.

"You're bad," he said. "Naughty."

He spanked me again. It felt so good. My pussy was throbbing.

He slid his hands under my top and squeezed my titties. He pressed his crotch against my ass. He had a big, hard boner.

"I'm going to have to fuck you," he said. "It's the only way."

"Okay."

He spread my pussy, shoved a finger inside my hole.

"You're wet," he said.

"Yeah."

I heard his fly unzip. I felt the head of his cock nudge my pussy. He opened my lips and inched his way in. It was so big! I clutched the sides of the desk. He pushed until he was fully inside. He dug his fingers into my hips, pumped hard. My nipples dragged up and down the desk. Girl goo dripped down my thighs.

"This is what happens when you neglect your studies," Prof wheezed, spanking me again. "This is what you get!"

His cock was swelling up inside me.

"Fuck!" he wheezed. "*Aunnnghhh*!"

He pulled out and shot a hot load on my ass. I reached around and rubbed it into my skin. Cum is good for the complexion, whatever part of the body.

Prof stumbled into his desk chair. I stood up, replaced my skirt and panties.

"Now go," he said. "Do your homework."

My God, that was hot. I was totally motivated. So I'm home now about to finish my essay.

February 9

Work didn't get done. I got too busy daydreaming about Prof's cock. Besides, why would I write that paper? If I don't do my homework, he'll fuck me. I mean, I still want to earn a degree eventually—but until then, I'm majoring in dick.★

CRISSY

TEEN QUEEN OF THE MONTH

Hey, it's Lindsey. College freshman Crissy is proof that tomboys can be Teen Queens, too!

About me: I'm very athletic. I love skateboarding, wakeboarding, surfing—anything that gets my adrenaline going. I have way more guy friends than girlfriends. Nothing against girls, but guys are just more fun to hang around with.
Reason for posing: I like guys as friends, but I still want them to think I'm hot. ;)
Best physical feature: My crazy nipples. They're extra suckable.
Favorite hobbies: Besides sports? I love listening to music—classic rock, like AC/DC and Guns N' Roses.
Sexual personality: Very straightforward. I love sex—why hide it?
Biggest turn-on: Aggressive guys who know what they want.
Biggest turn-off: Guys who sit around all day and watch TV and play video games. I can't sit for that long!

First thing I notice about a guy: His hair. I like it long and messy.
Favorite way to masturbate: With my hands. Toys are too easy.
Favorite way to fuck: I'm a total speed fiend *except* when it comes to sex. I like lots of foreplay and long, slow fucking—then a big, hard finish.
Favorite position: Missionary. You can get a nice groove going.
Spit or swallow: Swallow, of course. Waste not, want not!
Favorite place for a guy to come: On my tits or tummy. I like to watch it land.
To bi or not to bi: I've smashed with girls. They'll never take the place of guys, but they're fun to fool around with.
Best way to come: Lick my pussy. I come so fast sometimes it makes me sad!
Anal, yay or nay: I like to do it up the butt every once in a dirty while.
Dream guy: [Olympic snowboarding gold medalist] Shaun White! He pushes every button I have.

My perfect date: It would definitely take place at the beach. We would surf all day, then eat a picnic dinner and watch the sun set. After, we would fuck all night under the stars, listening to the waves.

Ultimate goal: I *should* say, earn my degree and find a cool, interesting job. But what I *really* want is to skydive! ★

ALICE

don't hate, masturbate

Hey, it's Lindsey. High school senior Alice learned a valuable lesson this year—with a little help from BARELY LEGAL!

Hey, Alice! Why did you want to pose for us?
To end senior year as the new me!
What was the old you?
A total virgin reject. All the boys at school hated me—and I hated *them*.
I'm sure no one *hated* you.
Oh, really? Then how come every boy I asked to the winter formal laughed in my face? How come everyone in school started calling me Desperado?

Well, even in the year 2013, some guys still don't like to be asked out by a girl. They want to do the pursuing.

Well, exactly zero guys were pursuing me. So I thought maybe I should try to be a lesbian.

How can you *try* to be a lesbian?

I bought a bunch of BARELY LEGALs, to see if the naked girls would give me tingly feelings.

***Ooh*! Did they?**

Yes. I mean, I don't think I am actually a lesbian, but reading about how they masturbate and watching them play with toys and finger themselves made me tingly. So I gave it a try. ---→

You never masturbated before you read BARELY LEGAL?!
I did, but—don't laugh—I think I must have been doing it wrong. I never had an orgasm.
You poor thing!
But this time when I tried, it worked! I gave myself an orgasm—and then another, and another.
They're pretty fun, huh?
My life is completely changed.
Do you just stay home and play with yourself 24/7?
No, the opposite. I go out with boys all the time.
Wait, what? I don't understand.
Well, if you can give yourself an orgasm, you don't *need* boys. So I basically forgot they existed. That's when they started asking me out!
Did you lose your V.?
Did I lose my V.? Do you know how many times I've had sex in one semester?
How many?
Twenty-four. Including in the butt—which is, by the way, so amazing I can't stand it.
So the new you is a sex maniac.
The new me is a confident, sexual woman. I'll never be desperate again!★

Hello again! It's Stacy the intern. Cutie-pie Casana is a brand-new adult—*and* a brand-new adult model!

Welcome to BARELY LEGAL, Casana! So, does posing nude make you feel hot?
I feel beautiful every day.
What do you think is your best physical feature?
My booty and stomach. They're just nice to look at.
How often do you masturbate?
Not often. I like to rub my clit sometimes—but I'd rather have a guy do it.
What are your biggest turn-ons?
Humbleness. Kind, but doesn't take shit. Someone who can make me laugh—my pussy is yours!

Depends… If I like you I'll swallow. ;)
Do you like to get your pussy licked?
It's fucking amazing.
What's your favorite position?
Doggy! And reverse cowgirl.
How do you like to be fucked?
Whatever way happens.
What's the best way for a guy to make you come?
Talk dirty and fuck me good!
Have you tried anal sex?
No. I don't want my butthole to rip!
Where do you like a guy to come?
Inside me or on me. But I have to admit I don't love it in my face.
Have you ever had sex in public?
Yeah, at a party, in the hot tub…EPIC! Never forget that night. :)

This! LOL!
What's the absolute best sex you've ever had?

KENNEDY NASH

only natural

Howdy! It's Stacy the intern. Brand-new model Kennedy is beautiful inside and out.

Hey, Kennedy! What made you want to try nude modeling?
I'm just a very open and sexual person. It was only natural.
Do you like it?
I love almost everything about it. The only negative thing is when people give me advice that isn't very helpful.
Like what?
Like, telling me I should get implants.
What?! Your boobs are perfect! Those *nipples*.
Thank you. I mean, I don't think my breasts are *perfect*, but I like them the way they are. I like *me* the way I am, all natural.
Well then, let me ask—not judging, but why do you shave down there?
I think that's different. I'm not really *changing* anything about myself. I shave my pussy and legs and armpits because I like to feel soft and smooth all over.
You do look soft! What do you do when you're not modeling?
I'm studying holistic medicine—acupuncture, massage, essential oils. I want to heal people with my hands.
What do you do for fun?
I love hiking, camping, and just being out in nature. I think our planet is so beautiful. We should do our best to take care of it.
Have you ever had sex out in nature?
Yes, that's amazing—especially in cold weather. I love to have the freezing air all around me and be burning hot inside my body.
What turns you on?
I like guys who are confident, intelligent, and have a sense of humor.

WorldMags.net

Do you like girls?
Of course! I'm open to *everything*.
Are you open to swallowing?
I love to swallow. There's something very spiritual about it. I feel the same when guys come inside me. When they come *on* me—I don't know, it seems wasteful.
Have you ever done anything really dirty?
Well, recently—do you know Melody Jordan?
Yes. She's actually going to be in this issue.
Oh, wow! Well, I hooked up with her, and she licked my butthole.
Did you like it?
I did! Keeping an open mind has never disappointed me. It always leads to something amazing.
Yes. It led you to us! ★

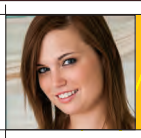
BARELY LEGAL

BOX OFFICE



We girls at BARELY LEGAL think the best person to judge the realness and hotness of a legal-teen video is a real, hot legal teen. Here to review our latest release is this month's guest critic, Abby.

Alexis's boots were made for fuckin'.

This is *not* Mia's first time at the rodeo.

LAME, BUT BETTER THAN DOING HOMEWORK. ★

DECENT, BUT FORGETTABLE, LIKE DRUNKEN MACKING WITH A CUTE STRANGER. ★★

GOOD ENOUGH TO COME WITH THE HELP OF A FINGER. ★★★

THE BARELY LEGAL BOMB! ★★★★

VIRGIN COWGIRLS

★★★★

HUSTLER Video. Director: Will Ryder. Starring: Katie Summers, Mia Gold, Jordana Heat, April O'Neil, Dani Jensen, Alexis Monroe, Mark Zane, Billy Glide, Alan Stafford, and Anthony Rosano.

Before watching this film, I didn't know virgin cowgirls were a thing, and I still don't. But the stars get to dress up in cute cowboy boots and old-timey Knott's Berry Farm outfits, and that's all that really matters. Tan, tight-bodied Mia Gold is made for ranch life—girl likes it *rough*. During a spit-drenched BJ, she begs Billy Glide, "Make me choke on it!" and when he eats her out she pleads, "Bite my clit!" (Yikes!) Mia also has an exciting talent: While riding Billy reverse cowgirl, she all of a sudden goes "Omigod!" and ten gallons of liquid comes shooting out of her pussy. There's so much, you can't even tell if she's squirting or peeing. Either way—yee HAWT! The hotness continues with April O'Neil and Jordana Heat. I *love* girl/girl scenes 'cause there's always so much kissing—and April is especially awesome at kissing coochie. After a yummy-looking 69, the girls fuck each other with a dildo that April just happens to have with her, then take turns licking their juices off it. Sweetness! Competing for best costume are Katie Summers, as a Wild West saloon girl, and Alexis Monroe, as a French maid (?). In the end I have to give the prize to Alexis, 'cause her baby face looks *so* cute under that little white cap, all covered in Anthony Rosano's cum. My favorite girl in the movie is Dani Jensen, even though I was terrified the whole time that her paper-white skin was going to burst into flames under the hot sun. First of all, she's really funny—before giving a loving tongue bath to Alan Stafford's cock, she tells him it's "so aesthetically pleasing." (It is!) Second of all, she's a total maniac, yodeling at the top of her lungs while bucking on Alan's boner and digging her own finger deep into her butthole. Rootin' tootin'! These porn starlets might not be *real* cowgirls, but they can teach me how to ride anytime. ;)

Katie strikes liquid gold.

WorldMags.net

April and Jordana don't care where all the cowboys have gone.

Jordana craves wide-open spaces.

Dani loves a good cowpoke.

PHOTOGRAPHY BY MATTI KLATT

Hey, it's Lindsey. "Retired" model Abby is going for a BARELY LEGAL record. She was in our February 2011, August 2011, and January 2012 issues, and now she's naked for a fantastic fourth time!

Abby, back *again*? LOL!
I know, I know. I said I was done. But I *love* having my picture taken.
So, are you modeling full-time?
No, this shoot really was just for fun. I'm going to start focusing on my new career goal.
What's that?
I want to be a writer, like you!
Omigod, am I a role model?
Yes. You went from modeling to being a magazine editor, so I know it's possible. And I *love* to write.
What do you write about?
Well, they say write about what you know—so I write about sex!
Seriously? Abby, you could totally be an intern for BL and help me and Stacy out! Do you want to?
When do I start?
Your first assignment can be to do the movie review for this issue.
You mean I get to watch porn and write about it *and* get paid?
Not *paid* exactly. But you get to see your words in print. And starting next month you'll get to meet really cute girls and interview them. You just have to promise to behave yourself.
You mean no touching?
Yes, no touching—while you're *here*, anyway. What you do with the girls after hours is none of my beeswax.
Okay, this is going to be the best job ever—with or without pay!
Yay, welcome aboard! ★
